PRELIMINARY AMENDMENT

Sir:

Prior to examination, please amend the above-identified application as follows:

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks begin on page 12 of this paper.

Amendments to the Claims:

The following listing of claims will replace all prior versions, and listings, of claims in the application:

Claims

1. (Original claim) A method of filing a received e-mail message, the method comprising:
reading a self-describing text-based data structure within the text body of the received e-mail message;
comparing the self-describing data structure to a plurality of pre-stored text-based data structures; and
storing the received data content of the e-mail message or a significant part thereof in a selected data folder to which the received text-based data structure corresponds,
the method requiring no external access to data to carry out the reading, comparing and storing steps.
